Day 1

We depart this morning and make our way to Akron, OH. First, we'll stop off at **Brandywine Falls**, a 60 foot waterfall where we can follow a boardwalk to view the waterfall's gorge and Berea sandstone. Our next stop is the **MAPS Air Museum**. This aviation museum holds more than 50 aircraft, most on loan from the U.S. Air Force or Navy for restoration, includes bomber and fighter aircraft. After checking into our hotel and some time to freshen up, we will conclude our evening with dinner at the **Spaghetti Warehouse**.

Day 2

After a leisurely morning and breakfast on our own, we will board the **Cuyahoga Railroad**. We will ride a steam engine through the **Cuyahoga National Park** and view the amazing fall colors and wildlife. We will disembark at the **Peninsula Station** where you will have time for shopping and lunch on your own before your return rail trip. Our final stop is at the **Mustill Store** and the **Cascade Locks**. The Park's main feature is the splashing waterway which channels the Ohio & Erie Canal through a series of "staircase locks." We will take a guided tour to see the Locks and have time to explore the museum and store before our return home.
