

**YOUR BIANCO TOUR INCLUDES:**

**Round Trip Transportation** - Via deluxe highway motorcoach. Equipped with reclining seats, overhead storage, & a restroom for your comfort & convenience.

**Air Zoo** - Sue and Pete had always wanted to share their enthusiasm about World War II airplanes with the public. So, when a friend offered to give them his Grumman Bearcat if they agreed to open a museum, they jumped at the chance. Over its 40-year history, the Air Zoo grew from a nine-plane hangar display to a stunning, world-class aerospace and science education center with over 100 rare aircraft and spacecraft, interactive exhibits, and cutting-edge educational programs for people of all ages.

**Main Street Pub** (included lunch) - For 28 years Main St. Pub has been providing great food, awesome service, and endless fun to Kalamazoo and the surrounding communities!

**Gilmore Car Museum in Hickory Corners, MI** - Walk right up to automotive history at the Gilmore Car Museum as we browse through the collections and exhibit after exhibit of incredible vehicles, in a most memorable setting. There are nearly 400 vehicles and the range of brands and models is breathtaking - everything from Model A's to Cadillacs, Pierce-Arrows to Duesenbergs, Studebaker to Chevrolet and more. The exhibits capture the best of each automotive era - cars from the Nickel and Brass Eras to the Classics and Post-War plus favorites from the '50s and '60s. See a beautifully recreated 1948 dealership, a 1920s gas station with a full service work bay and gas pumps where gas is always 18 cents a gallon, hood ornaments and automotive mascots and much more! The Blue Moon Diner is the authentic 1941 Silk City Diner. In 2004, this gem was moved from Meriden Connecticut to the museum, where it was meticulously restored.
