### Day 1

This morning we depart for our Legendary tour after meeting your professional Bianco driver and tour director. Our first stop is at the **Cleveland Museum of Art** where you will also have time for lunch on your own. With a vast array of exhibits, the museum has something for everyone. Our journey continues to the Chautauqua Harbor Hotel, situated right on Chautauqua lake with a lounge, fire pit and two pools. This hotel is a destination itself and is our home for the next 3 nights. We will enjoy a BBQ dinner tonight at the Pavilion and a local band will be playing your song.

### Day 2

After an included breakfast at our hotel, we start our day at **Webb's Candy Factory**. What started as a small soda shop after WWII, Webb's has grown to a national candy maker. Our next stop will find us at **Chautauqua Institution**, where we will be joined by our local guide who will walk us through the historic institution which is a hub of culture, education and spirituality. You'll see historic Victorian homes and beautiful gardens as well before heading to the country's oldest still standing wooden hotel for an included lunch. If you love to laugh, then you'll love our next stop, **The National Comedy Center**, which includes exhibits on all of the legends of comedy. Interactive exhibits allow you to see the comedy process and learn about the different genres and styles of comedy. After some time to freshen up, our evening concludes with a dinner cruise on the **Historic Chautauqua Belle** - an authentic Mississippi River-style sternwheel steamboat.

### Day 3

After another included breakfast at our hotel we set out for our day. The first stop is **tour of a local lighthouse** on Lake Erie. Next we will visit a favorite local winery where we will learn about the grapes, harvesting and production of wine - and of course - we will get to sample it. Lunch is included at the winery. For the very brave, kick off your shoes and stomp some grapes. When we arrive at the **Grape Discovery Center**, not only will we learn more about the history of grape growing in the region, we will have a presentation by a local culinary Chef . He will give a dissertation about their wide selection of salad dressings, salsas, and more! We'll have samples and recipes to take back home, and you can wow your friends and family with your new culinary skills. Dinner tonight is at a local restaurant and just may include some of these salad dressings.

### Day 4

After our final included breakfast at the hotel we depart Chautauqua, but our trip is far from over. We will have some time in **downtown Cleveland** to explore the town square and visit America's first indoor shopping mall before we head to the **Rock and Roll Hall of Fame**. Experience the memorabilia from all of your favorite artists. From there, we will head home with fond memories of our Bianco Tour. See you next time!
