With the release of Mannheim Steamroller's first holiday album in 1984 came the kind of fame that made the act a veritable Christmas time tradition. With founder and composer Chip Davis at the helm, the all-American music troupe continues to tour extensively, bringing Yuletide cheer to audiences throughout the US with a unique Neo-Classical take on popular carols and songs. It's no wonder that Mannheim Steamroller is the top-selling Holiday Act of all time!

From Gregorian chant and medieval-style compositions to electrically charged synth-tinged orchestral pop, there is no musical stone left unturned in Davis' impressive repertoire - most of the albums in the Fresh Aire series hit certified Gold status shortly after release. Expect snow machines, dancers, family-orientated fun and of course, plenty of seasonal spirit! Do not miss this extraordinary musical performance. It may become a tradition for you too!
